Statistical Indicators

Statistical Indicators can be found in the printed version of the August 1997 issue of Agricultural Outlook. For more information, please contact Randy Schnepf at (202) 219-1281.

Published monthly (except February) by the Economic Research Service, U.S. Department of Agriculture. Materials may be reprinted without permission.

Contents have been approved by the World Agricultural Outlook Board and the summary released July 21, 1997. Price and quantity forecasts for crops are based on the July 11 *World Agricultural Supply and Demand Estimates*.

To renew—Call 1-800-999-6779. Subscription expires in month and year indicated on top line of address label.

Subscription: Call 1-800-999-6779 for information on price and ordering.

The next issue (AO-244) is scheduled for mailing on September 5, 1997. If not delivered by September 25, call (202) 219-0566 (please have mailing label handy). The full text will also be distributed electronically; call (202) 219-0515 for further information. The text of current and back issues is available on the ERS Home Page on the Internet at <http://www.econ.ag.gov/>
