

VEGETABLES, POTATOES, AND MELONS SUPPLEMENT

VERSION _____	ID _____	TRACT 01	SUBTRACT 01
-------------------------	--------------------	---------------------------	------------------------------

During 2007, how much of these vegetables, potatoes, and melons were harvested on the total acres in this operation?

Instruction: Add any other vegetables not printed in the table below that were harvested in 2007, using the names and codes listed below the table. If more than one vegetable crop was harvested from the same acres, report acres for each crop. For two or more pickings of the same crop, report the area harvested only once. Processing refers to vegetables that have been altered by heat, pressure, or freezing.
