### INTRODUCTION:

[Introduce yourself, and ask for the operator. R paraphrase in your own words.]

We are collecting information on costs and returns and need your help to make the information as accurate as possible. Authority for collection of information on the costs and returns report is Title 7, Section 2204 of the U.S. Code. This information will be used for economic analysis and to compile and publish estimates for your region and the United States. Response to this survey is confidential and voluntary.

We encourage you to refer to your farm records during the interview.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0218. The time required to complete this information collection is estimated to average 105 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
## SECTION A LAND IN FARM/RANCH

For 2009, please report farm/ranch land owned, rented, or used by you, your spouse, or by the partnership, corporation or organization for which you are reporting. (Include all cropland, idle land, CRP, pastureland, woodland, wasteland, farmstead, acres used for crop/livestock production facilities, and all other building sites associated with this operation, etc.)

### ACRES OPERATED

1. How many acres of farm/ranch land were owned? ........................................................ ........................................................ 0020

2. How many acres of farm/ranch land were rented or leased from others---
   * (Include land used on an AUM or fee per head basis under a grazing permit)
   a. for a fixed or flexible cash rent payment? ........................................................ 0021
   b. for a share of the crop or livestock production? ................................................ 0023
   c. for free? ........................................................ 0024

3. How many acres of farm/ranch land were rented or leased to others?
   * (Include land rented out for cash, for a share of crop or livestock production, or rent free) ........................................................ 0025

4. TOTAL ACRES in this operation in 2009 (Total items 1 + 2a + 2b + 2c - 3) = 0026

5. Of the total acres in the operation (item 5 above), how many acres were---
   a. considered cropland? *(Include land planted to hay, including wild hay, and land in government programs. Exclude CRP acres planted to trees).* ........................................................ 0030
   b. covered under a federal crop insurance policy? ................................................ 0039
   c. enrolled in the Conservation Reserve Program (CRP), Conservation Reserve Enhancement Program (CREP), or Wetlands Reserve Program (WRP)? ........................................................ 0028
   d. used to harvest *certified organic* crops? ........................................................ 0041

6. In 2009, what was the total dollar amount received for CRP/CREP/WRP payments? ........................................................ 0477

7. In 2009, what was the total dollar amount received for Environmental Quality Incentive Program (EQIP) / Conservation Security Program (CSP) payments?
   a. Do you have a current EQIP or CSP contract? (check yes if you have a current contract, regardless of whether you received a payment during 2009.) ........................................................ YES [Enter code 1] NO [Enter code 3] 0026

8. What was the total acreage of fields/tracts subject to conservation treatments under an EQIP and/or CSP contract?
   * (Include)
     1 acreage of fields/tracts where practices are applied, such as reduced tillage, terraces, and grassed waterways; and
     2 acreage of fields/tracts that are adjacent to field edge practices, such as filter strips, riparian buffers, or fences) ........................................................ 0070

## SECTION M WHEAT DRYING

1. In what month was the majority of the 2009 wheat crop harvested? .................. MONTH

2. How much of the 2009 wheat crop was---
   a. custom dried? ........................................................ 1864
   b. dried other than custom dried? ........................................................ 1870
   c. not dried? ........................................................ 1876

   [If any of the 2009 wheat crop was custom dried, ask item 3; else go to item 4.]

3. What was the cost of custom drying the 2009 wheat crop? .......................... CENTS PER BUSHEL OR TOTAL DOLLARS

4. [If any of the 2009 wheat crop was dried, other than custom dried, ask items 4a-f; else go to CONCLUSION.]
   a. What was the main fuel type used to heat the air for drying the 2009 wheat crop? .......................... CODE
   b. On average, what percent of moisture was removed from the wheat crop? .............. PERCENTAGE POINTS
   c. How many hours of each type of labor were used to dry the wheat crop?
     (Include hours to unload, fill and empty driers, and to oversee drying)
     (i) Operator, partners, family members and other unpaid workers? .................. HOURS
     (ii) Full-time, hired workers? *(Exclude custom and contract labor.)* .................. HOURS
     (iii) Part-time or seasonal hired workers? *(Exclude custom and contract labor.)* .... HOURS
   d. What was the main type of facility used to dry the 2009 wheat crop? .................. CODE
   e. How many of these facilities were used to dry the 2009 wheat crop? ................. NUMBER
   f. What was the TOTAL holding capacity of these facilities? .................................... BUSHELS

SECTION L IRRIGATION

1. Did you irrigate any cropland, alfalfa, other hay, or pastureland on this farm in 2009?

☐ YES [Enter code 1, then continue] ☐ NO [Enter code 3, then go to SECTION M] . . . .

[ENUMERATOR INSTRUCTION: Refer back to Section B, page 4. For each crop harvested during 2009 (SECTION B, items 1 and 2), determine if it was irrigated (column 1, table below). Complete the remaining columns for each irrigated crop noted in column 1 below.]

Now I need you to identify acres irrigated, yield, irrigation system, water application rate, and water source used for each commodity irrigated on this farm in 2009. (Include land irrigated for alfalfa, other hay, and pastureland.)

### Section D: Commodity Marketing and Income

#### Marketing Contracts
1. Did this operation have marketing contracts for any commodities it produced in 2009? (A marketing contract is a verbal or written agreement, reached before harvest of a crop or before completion of a livestock production stage, setting a price or pricing formula and market for the commodity. The operation usually owns the commodity prior to delivery.)

   - YES [Enter code 1, then continue]
   - NO [Enter code 3, then go to item 3]

2. If Yes) Report the commodities sold in 2009 with marketing contracts. List the quantities marketed and the final price received. (Exclude marketing charges. Record these in item 7 and money received for any reimbursements for expenses. Expense reimbursements should be reported in SECTION F.)

3. What commodities did this operation have marketing contracts for in 2009? (Exclude crop contracts for any commodities not yet delivered, record the value of the commodity in SECTION G.)

4. What quantity of this commodity was marketed through this contract? (Exclude landlord’s share)

5. What was (will be) the final price received per unit by this operation for this commodity marketed under this contract? (Exclude marketing charges. Record money received as reimbursement for production expenses. Record this in SECTION F.)

6. What was the total dollar amount received in 2009 from this contract? (Exclude money received as reimbursement for production expenses. Record this in SECTION F.)

ACCOUNTS RECEIVABLE / DEFERRED PAYMENTS

8. For each item below, report income received or the amount owed to the operation on the dates specified. (Do not include crops in storage and not yet sold. Include cash sales, marketing contract sales, and production contract removals.)

a. On January 1, 2009, what was the total dollar amount owed to this operation for all commodities produced and sold (cash or contract) before January 1, 2009? 

b. What was the total dollar amount owed to this operation on December 31, 2009, for all commodities produced, sold (cash or contract), delivered, or removed under contract in 2009 or earlier years?

For items 11-13, please answer the following questions for up to three primary operators of this operation as of December 31, 2009. If one of the operators is the principal operator’s spouse, record his/her information in operator 2.

11. What was the age of operator(s) on December 31, 2009?

12. In what year did the operator(s) begin to operate any farm operation?

13. What was the gender of operator(s)?

14. Were you a hired manager for this operation (meaning you received a wage, salary, or in-kind payment for making day-to-day management decisions for this operation)?

15. On average, about how many paid and unpaid hours per week (work and management time) did –

a. You (the principal operator) work for this operation? 

b. Your spouse (the principal operator’s) work for this operation? (Even if your spouse is an operator, include their hours here.)

c. Other operators (those persons responsible for the day-to-day management decisions for this operation) work for this operation?

16. On average, how many workers (excluding operators, the principal operator’s spouse, custom hire, and contract labor) were on this operation during 2009?

a. Average number of unpaid workers 

b. Average number of paid workers 

17. For the workers reported in the question above (item 16), on average, about how many hours per week (work and management time) did –

a. Unpaid workers (such as non-operator partners and family members) work for this operation?
1. Is the operator or the operator’s spouse of Spanish, Hispanic, or Latino origin or background, such as Mexican, Cuban, or Puerto Rican, regardless of race?
