ECONOMIC RESEARCH SERVICE

Please make corrections to label name, address, and ZIP code, if needed.

Completion of this form fulfills your mandatory 2012 Census of Agriculture reporting obligations.

We are collecting information on costs and returns and need your help to make the information as accurate as possible. Authority for collection of information on the Costs and Returns Report is Title 7, Section 2204 of the U.S. Code. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept confidential and used only for statistical purposes. Response is voluntary. You may skip any question(s) you prefer not to answer.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0218. The time required to complete this information collection is estimated to average 100 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

[If this operation is a partnership, please identify the other person(s) involved.]

SECTION 1  LAND IN FARM / RANCH

For 2012, please report farm/ranch land owned, rented, or used by you, your spouse, or by the partnership, corporation or organization for which you are reporting.  (Include all cropland, idle land, Conservation Reserve Program (CRP), pastureland, woodland, wasteland, farmstead, acres used for crop/livestock production facilities, and all other building sites associated with this operation, etc.)

ACRES OPERATED

1. How many acres of farm/ranch land were owned? ................................................................. [ ] + 0020

2. How many acres of farm/ranch land were rented or leased from others---
   (Exclude land used on an animal unit month (AUM) or fee per head basis under a grazing permit.)

   a. for a fixed or flexible cash rent payment? ................................................................. [ ] + 0021
   b. for a share of the crop or livestock production? (Include hybrid rental arrangement where rent paid is based on a fixed cash payment plus some shared production.) ................................. [ ] + 0023
   c. for free? .................................................................................................................... [ ] + 0024

3. How many acres of farm/ranch land were rented or leased to others?
   (Include land rented for cash, for a share of crop or livestock production, or rent free.) .................. - 0025

   a. How many acres rented or leased to others (Item 3) did this operation own? ......................... [ ] 4000

4. Then the TOTAL ACRES in this operation in 2012 were: (Total Items 1 + 2a + 2b + 2c – 3.) ................. = 0026

COUNTY LOCATION

5. For the total acres in this operation (Item 4), please answer the following county questions.

   a. In what county was the largest value of your agricultural products raised or produced?

   b. If you also had agricultural activity in any other county, enter the county name(s), etc.

### VEGETABLES & MELONS

1. Were any vegetables, sweet corn, or melons harvested from this operation or did this operation receive any income from these crops in 2012?  
   (Report crops grown under glass or other protection in Section 5. Include your landlord’s share and crops grown under contract. Exclude crops grown on land rented to others, home gardens, and personal or home use crops.)

   - YES - [Enter code 1, then continue]
   - NO - [Enter code 3, then go to Section 7]

2. Area from which vegetables, sweet corn, and melons were harvested in 2012?  
   (Report multiple cropped acreage only once.)

3. For those crops not printed in the following table, enter the crop name and code from the list below for any other vegetables harvested in 2012.
   - If more than one vegetable crop was harvested from the same acres, report acres for each crop.
   - For two or more pickings of the same crop, report the area harvested only once.
   - Processing refers to vegetables that have been altered by heat, pressure, or freezing.
